

THE SENIOR GRAND PRIX QUALIFIERS ARE PRE-ENTRY ONLY AND ONLY VIA THIS FORM

Registration - All players competing at a specific GP need to register before 09:30 on the day of the event. Late registration may not be accepted. All players must have a valid WPA licence with them on the day and players without this shall be fined. Players with invalid or expired licences will be disqualified from entry and players are advised that this may mean that their team may also be disqualified from entry.

General. Players are expected to represent the WPA in any competition that their ranking qualifies them to play in. (NB it is the team, not the individual players that qualify). Players should ensure that they are available to play at the event before entering its qualifiers, this is especially important for the European/World Championships and the Home Nations which the WPA counts as it's most important competition of the season. Disciplinary action will be taken against those persons who knowingly do not comply with this requirement. Players qualifying to play for the WPA are advised that they are likely to meet the costs of participation in the events for which they qualify.

Please fill in the form below and ensure you tick all the relevant boxes with regards to availability. We need to know what competitions your team are committing to playing in and also which individuals are committing themselves to play in these competitions. If an individual is available to play in a competition and the rest of their team is not then they may be asked to substitute in another team
