Presentation

Dear friends of petanque and bowls,

As the organization's manager, I am writing to inform you that in the international opens of petanque and bowls that will have place in Santa Susanna during 2011, we will count on the collaboration of the **hotel DON ÁNGEL**, classified as a 3 stars hotel.

The hotel will be the official venue of the championships and we will have some of its rooms and sport facilities where the championships will take place.

These facilities are next to the hotel and, so, the players that are in the hotel Don Ángel can go to play on foot, nevertheless, we can also count on other hotels classified as 3 high stars or 4 stars are also nearer to the sport facilities and you can also go on foot.

The unification of these two sports in the same place will make Santa Susanna become a point of reference for the petanque and the bowls, forecasting a high participation where you can weigh your play level up.

In our varied program there is space for the presentation, friendly competitions, official competitions, parties, dinners, variety shows, the closing ceremony..., all this in a holiday trip offered by Santa Susanna Cup in collaboration with the prestigious travel agency '**NT INCOMING**' which will secure the aftersales service in order that your trip is unforgettable.

We must also add that the city hall has bet on our plan regarding a change of scene, supporting the organization of this sports event.

Thanks to the collaboration of the hotel DON ÁNGEL, we will count on some improvements that will benefit players and all those accompanying them, making the organizing level higher both for organization and stay, enjoying this lovely region called Costa del Maresme and its people.

If the dates of the open aren't suitable for you, The Organization will offer you the possibility of organizing stages and friendly championships.

Ask for our prices without obligation, you should only tell us the dates and the number of teams that want to participate and give us as much information as possible about what you want us to organize for you.

Once you have asked for the estimate, you will receive the information shortly.

See you in Santa Susanna! Best wishes,

Santa Susanna Cup
José Luis Navarro
