- We may transfer the personal information we collect about you outside the EU in order to comply with our legal and regulatory obligations to FIPJP, CEP or any other appropriate body involved in the governance of pétanque in Wales or elsewhere. Depending on where that information is transferred there may or may not be an adequacy decision by the European Commission in respect of that country. This means that a country to which we transfer your data may not be deemed to provide an adequate level of protection for your personal information. However, to ensure that your personal information does receive an adequate level of protection we will only transfer that information which is strictly necessary to comply with our legal or regulatory obligations and only to those parties that have a right to receive that information.
- Where we use certain service providers, we may use specific agreements approved by the European Commission which give personal data the same

protection it has in Europe. For further details, see European Commission: Model contracts for the transfer of personal data to third countries. We will seek to ensure that these agreements comply with the minimum requirements of the GDPR.

- Where we use providers based in the US, we may transfer data to them if they are part of the Privacy Shield which requires them to provide similar protection to personal data shared between the Europe and the US. For further details, see European Commission: EU-US Privacy Shield. We will seek to ensure that these agreements comply with the minimum requirements of the GDPR.

Please contact us if you want further information on the specific mechanism used by us when transferring your personal data out of the EEA.

8. Data Security

We have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know. They will only process your personal data on our instruction and they are subject to a duty of confidentiality.

We have put in place procedures to deal with any suspected personal data breaches and will notify you and any applicable regulator of a breach where we are legally required to do so.

9. Data Retention

How long will you use my personal data for?

We will only retain your personal data for as long as reasonably necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data, whether we can achieve those purposes through other means and the applicable legal requirements.

In some circumstances you can ask us to delete your data: see Request erasure below for further information.

Welsh Pétanque Association

PRIVACY, DATA PROTECTION & GDPR POLICY

In some circumstances we may anonymise your personal data (so that it can no longer be associated with you) for research or statistical purposes in which case we may use this information indefinitely without further notice to you.

10. Your Legal Rights

Under certain circumstances, you have rights under data protection laws in relation to your personal data. You have the right to:

10.1. Request Access

Request access to your personal data (commonly known as a "data subject access request"). This enables you to receive a copy of the personal data we hold about you and to check that we are lawfully processing it.

10.2. Request Correction

Request correction of the personal data that we hold about you. This enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us.

10.3. Request Erasure

Request erasure of your personal data. This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.

10.4. Object To Processing

Object to processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. You also have the right to object where we are processing your personal data for direct marketing purposes. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.

10.5. Request Restriction of Processing

Request restriction of processing of your personal data. This enables you to ask us to suspend the processing of your personal data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful

Welsh Pétanque Association

PRIVACY, DATA PROTECTION & GDPR POLICY

but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.

10.6. Request The Transfer

Request the transfer of your personal data to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.

10.7. Withdraw Consent

Withdraw consent at any time where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent.

If you wish to exercise any of the rights set out above, please contact us.

No fee usually required

You will not have to pay a fee to access your personal data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, we may refuse to comply with your request in these circumstances.

10.8. Why We May Need From You

We may need to request specific information from you to help us confirm your identity and ensure your right to access your personal data (or to exercise any of your other rights). This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. We may also contact you to ask you for further information in relation to your request to speed up our response.

10.9. Time limit to respond

We try to respond to all legitimate requests within one month. Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests. In this case, we will notify you and keep you updated.
