Welsh Cup Competition

The Welsh Cup is an inter-club competition to find the top Club in Wales and award the Welsh Cup Champion title. The competition also allows clubs to interact with each other and create relationships with the potential to arrange other interclub events.

RULES

1. Entry

- 1.1 All Clubs registered with the WPA in the current membership year with a minimum of six WPA members, of which one must be of the opposite gender to the other five, will be eligible to participate.
- 1.2 Each Club is allowed one team only.

- 2.1 All players must be members (Associate, League and Full) of the WPA for the current year.
- 2.2 All players must be members of the Club, which they have stated on their WPA Membership Form and listed on the Register of Members for a minimum period of not less than one month at the time of the first round of the competition.

- 2.4 Any Club playing a player not complying with 2.1 and or 2.2 will be penalised by forfeiting all games in which that player(s) participated.

3. Competition Format

- 3.1 The format depends on the number of Clubs that enter the competition. The WPA Executive is responsible for deciding the competition format.

Information on what constitutes a match is defined in Section 6 below.

4. General

- 4.1 The WPA Executive will arrange the fixture dates, communicate with all Club Secretaries, and post them on the official playing calendar and the website.
- 4.2 The WPA Executive may appoint an umpire for any round of the competition.
- 4.3 A member of the WPA Executive or a WPA member designated by the Executive shall be responsible for the organisation on the day and will collect the official score sheets. Each team is responsible for ensuring the correct details are on the sheet before signing it.

- 8.1 The scorecard must record the names of all players for the match. Once the match has commenced, no additional players can be added to the scorecard.
- 8.2 The Team Captain will enter the players' details directly onto the scorecard so that the "designated females" always play against each other.
- 8.3 players (Singles, Doubles, and Triples) will be selected before each round to ensure the teams' composition.

9. Replacement Player

- 9.1 Club teams, with seven (7) or eight (8) players recorded on the scorecard, may replace one (1) player in each double and triple game. However, for both the mixed doubles and mixed triples teams, the replacement must not affect the mixed composition of the team.
- 9.2 The replacement can only be made between ends and must be reported to the opposing team's Captain and recorded on the scorecard.
- 9.3 A player who has completed their game or has been replaced cannot play in any other team during this round.

10. Conventions

- 10.1 Clubs are responsible for their travelling costs.
- 10.2 Players shall wear their club strip.

11. European Cup

The CEP Directors supervise the organisation of the European Cup each year in early November and invite member Federations to send their Club Champions to participate in the European Championship.

Therefore, the Welsh Cup Champion will be invited to represent Wales and the WPA at the European Cup Championship. However, the winner doesn't need to accept the invitation. If the winning Club does not accept the invitation, the team that finished in second place will be invited.

The Club must make themselves familiar with the following CEP Documents:

- EuroCup, FedCup Rules
- European Cup Team Uniform Rules
- Protocol for Alcohol (Breath) Test

Each team must have a non-playing Coach.

If the winning Club formally accepts the invitation to represent Wales but withdraws its entry after registering with the CEP. In that case, it will be prohibited from entering the Welsh Cup for the following year. The Club has the right to appeal.
