A registration form for the Sand Bay Holiday Village. It includes fields for holiday dates, lead surname, car registration, full name, address, email, and a table for additional guests. There is also a section for the guest to sign and date.

The Guest Registration Form – Must be completed by each person onsite. It is better to complete this before your arrival, as it will save time when you check in.

This is a requirement of Sand Bay's licensing agreement with the Council – EVERYONE onsite must complete this.

This also includes those staying at the hotels, caravan parks and any other option we have offered.

This year, it is more important that everyone on site has a valid Event Wristband to comply with the Holiday Camps Licence.

They are aiming to send out the usual confirmation letters on Tuesday, 9th September.

SHUTTLE BUSES

FREE shuttle buses between Riverside Holiday Village, the hotels on Weston Seafront and Sand Bay.

The timetable can be downloaded from the WPA website.

LUNCH & SNACKS

There is an "All You Can Eat" Lunch Buffet for £10pp from the main restaurant – the menu is included on page 2 of the Pre-Arrival Information Pack.

The Rose Garden Café is serving Sandwiches, Baguettes, Snacks and hot & cold drinks throughout Saturday & Sunday.

The Café in the main venue will be open for food on Friday.

PARKING

There will be Parking Marshals on your arrival at Sand Bay to assist you.

Due to the venue restrictions, once you are parked, you are parked until Sunday Night.

If you need to go out over the weekend, please PRE-BOOK parking before arrival for limited EASY ACCESS parking.

This is FREE but must be pre-booked.

Important: Anyone staying at hotels/caravans – there is no parking at Sand Bay for the entire weekend. You are required to use the free shuttle bus.

However, there are public car parks; the closest is a 20-minute walk from Sand Bay.

Important: For those travelling each day to Sand Bay, overflow parking is available at Southshore Hotel & Pub, located on Beach Road. You will need to obtain a Parking Permit from the Parking Marshall.

WRISTBANDS

It is not clear how those members who are travelling to Sand Bay all weekend will obtain their wristbands, as PE will refuse play in the competitions without a valid wristband.

Sean Smith will be able to collect the wristbands on behalf of the WPA on Friday unless they have an alternative process for issuing these to those members travelling each day.
