

Welsh Petanque Association

Beginners Level

The Silver Award

Participants will need to complete all the activities in order to pass. A pass will be awarded by the examiner when the candidate can prove they can complete the tasks competently and in a consistent manner.

Practical Activities

1. Demonstrate how you measure the distance a boule is from the Jack correctly.
2. Demonstrate how to throw a boule with good use of backswing during the throw when pointing at the minimum starting distance for your age.
3. Demonstrate how to throw a boule with good use of backswing when attempting to shoot a boule at the minimum starting distance for your age.
4. Demonstrate how to throw a boule to a Jack at 8m with steady balance throughout the throw.

Knowledge of Petanque

1. Explain how you score points in a game.
2. What is meant by the following terms
 - a) pointing, b) shooting.
3. How many boules does each player use in a game of
 - a) singles, b) doubles, c) triples
